

Move Out Cleaning List

Move out cleans often require inspection by a third party such as owner or real estate agent so the standard should be high for all areas. Please check with customer to ensure power will be on.

Additional items to regular cleaning list ([CLICK HERE FOR REGULAR LIST](#))

Dusting

1. Very detailed dusting (there will be no furniture), damp wiping will be required on some surfaces if they have sat dusty for a long period (such as behind lounges and beds). All sills on all levels, curtain rails/rods, skirting boards, on top of kitchen and fixed cupboards.
2. Dust all light fittings, will need step ladder. May require damp dusting.
3. Remove all cobwebs in all rooms

Kitchen:

1. Detailed clean of cupboard doors
2. Clean inside cupboards, including utensil tray.
3. Clean range hood (filters by request, if filters are requested, soak in kitchen sink with oven cleaner or grease remover before washing off)
4. Cook top: Clean spill dish & under knobs. Take jets apart
5. **Oven (if requested, extra charge)** Clean inside & out including taking wire shelves and wire racks out of the oven and remove all built up grease & remove clean and replace knobs. Clean griller inside & out including drip tray.

Bathrooms

1. Inside cupboards and vanities
2. Scrub shower, use mould kill if required.
3. Scrub floors if required, especially along edges and in grout

Walk in Robes, Built in Furniture

1. Damp wipe all shelves, rails and drawers
2. Wipe marks off fronts of doors and clean mirrored doors

Vacuuming

1. Vacuum door tracks in sliding doors
2. Detailed vacuuming behind doors and between floor boards

General

1. Wipe finger marks from walls (ensure cloth is not brand new as dye can run). Also be very careful with 'magic erasers' as they strip paint from walls so are not recommended unless requested for black scuff marks. Ask customer about detail required.
2. Clean all light switches
